THE PERFECT HELPER. WITH IP67 PROTECTION AND FOAM INSERT

26020000
26026000

The NT300 and NT400 universal cases black with shockproof and waterproof housings are suitable for the secure transport of high-quality and sensitive devices (e.g. Controller).
The foam cubes of the internal liner allow for easy individual organisation.

Universal cases available in two sizes:
NT300, item no. 26020000: suitable for a Controller as well as the matching NESTLE Controller holder.

NT400, item no. 26026000: offers additional space (e.g. for a 360° prism).

YOUR ADVANTAGES IN APPLICATION

- IP67.
  Shockproof and waterproof.
  With variable foam insert.
  Particularly suitable for Controller.
  Pressure valve and lever latches for easy opening.
  Excellent for all sensitive items (e.g. Controller or prisms).
